EDUCATION

At Snehadeep we encourage students to pursue higher education as it helps to reduce poverty, gender equality and creates opportunity and make them a better citizen . We motivate them pursue college education and help by providing their text book in Braille format, Voice recorders and transport service to facilitate their education and create a friendly environment. 50 college going students have been benefited through this effort and are progress well in their secular studies and extra curriculum activities

Achievements:

Gopinath, completed his degree. He wishes to become a government Employee and he is currently preparing for competitive examination.

- ▶ Archana, completed his B. Ed with 75 % . Her hobbies are singing. Her goal is to work as a government school teacher.

SKILL DEVELOPMENT PROGRAM

- ▶ We started the summer batch where about 45 students were trained in the crash course
- ▶ Joining hands with Azim premiji foundation was a great opportunity where we were able to widen out Livelihood skill development program (3 years) to hearing impaired students We have successfully trained 120 students as of now under this program and continuing to expand this opportunity to many disabled friends

CULTURAL
